The School Of Life Foundation officially opens in southern Utah and to the world! The mission of the School Of Life Foundation is to teach, train, motivate and inspire the youth of today to become the successful adults of tomorrow by teaching them how to get straight "A's" in the school of life. Life-guiding principles are taught in their book, Learn To "School" Your Toughest Opponent, which the foundation donates to youth organizations of all kinds. School is always in session at the School Of Life Foundation. To learn more, please visit www.schooloflifefoundation.com or call 435-632-2947.
