GOAL EXCEEDED!

It is with great delight that I announce that Big Brothers Big Sisters of Utah (BBSU) exceeded its 2007 goal to serve 1,610 children and provided mentors to an additional 15 children (a 15% increase over 2006 service!) THANK YOU! With this goal met, BBBSU is well on its way to its 2010 goal of providing 2,000 children a year with the positive influence of a caring mentor. Thanks to your important 2007 investment, thousands of Utah's children have made improvements in academic performance, in school behavior, in problem-solving, in relationships with family, peers, & other adults, in self-confidence, and in avoidance of substance abuse and delinquency. We couldn't do it without you and we look forward to our continued partnership in 2008!

Sincerely,
Pam Sanders, President & CEO
