Dear Mr. Rolfe,

Thank you for coming to speak to our Student Council. It was really nice of you to come share your time with us. I loved your talk, especially the tollbooth part. I'll tell my parents to do that next time we go up to Zion. Those "A" words are really good advice. After hearing you speak I want to assist people more often. I like how you told us that we need to make ourselves feel like a twenty-dollar bill, and that when you do a tiny act of service it can go a very long way. Thank you so much.

Sincerely,
Addie Smith
Santa Clara Student Council

Dear Mr. Rolfe,

Thank you very much for taking the time out of your busy schedule to come and talk to us. Your speech was really interesting and I liked it a lot, especially the story about the tollbooth. I want to try that same thing the next time we go through a tollbooth. You gave a really good speech. Your speech was my favorite part of the day. Thank you very much for talking to us.

Sincerely,

Tyler Larsen ☺

Dear Mr. Rolfe,

I liked your speech about the Tollbooth especially the part when you talked about the kind service you did for those people. Right after I got off the bus to go home I saw Mrs. Rolfe I said hi and talked to her about your speech. Thank you for making time for us in your busy schedule. I really learned a lot in your session.

Sincerely

Leah Bunting

Dear Mr. Rolfe,

Thank you so much for coming to our retreat. We all loved your talk and are almost hoping that we will come across a toll booth soon! We were also inspired to be like geese, and help each other by "breaking the wind" and "lifting each other up" by flapping our own wings. We will try to get straight "A's" in the school of life. We hope that we will be able to hear you speak another time soon!

Sincerely,
Kyleigh Wittwer

Dear Mr. Rolfe,

Out of all of the wonderful activities and the wonderful leadership training at our retreat your story and the points you had to make really had an effect on me. That wonderful story about the toll booth taught me to help others and be nice to not only the other Student Council members but to strangers like the people you paid for. I am so thankful for what you shared with us and taught. I hope that if I ever go to a retreat again that I will be able to see you and learn more. Thank you so much!

Sincerely,

Katheryn Bensen
